Grand Masters' Message:

Acceptance Speech

Grand Lodge Officers, Past Grand Masters, Officers of all Units of the Order, Distinguished Visitor, Brothers, Sisters, Family and Friends.

Tonight, I feel privileged and very humble that I have been chosen by you, my Brothers and Sisters, to serve as Grand Master of Maryland, the Mother Jurisdiction of American Odd Fellowship. For almost 200 years Odd Fellowship has spread throughout most of the United States of America and into numerous foreign countries around the world. Therefore, it is with heartfelt pride and tremendous honor I stand here tonight to serve you as Grand Master of Maryland.

As I begin my year of service as your Grand Master, I ask God to give me the strength of character, knowledge necessary to inspire our members to excel and wisdom to guide our Order in the coming year. I pledge that my every action will be for the growth of friendship, love and truth to all members.

This night would not have occurred without the love, support and encouragement from my Wife, Patsy, and Daughters, Shannon and Mechelle, and my Grandsons, Chad and Erik. Thanks for allowing me to continue to be absent from home and serve my community and the Grand Lodge of Maryland.

Thanks to my brothers and sisters of my home lodge, Poolesville Lodge # 97, for your continued support and encouragement for the last three years. For the past 153+ years Lodge # 97 has been serving the community of Poolesville, and I am proud to be a member of Lodge # 97.

My goal for my year as Grand Master is to develop successful growth in the principles of Odd Fellowship in each Maryland Odd Fellow by inclusion in all activities of the Grand Lodge of Maryland. The tenants of friendship, love and truth should be equally expressed between each member and each Lodge of the jurisdiction of Maryland. Every member should have these tenants in their hearts and be a daily part of their lives. My goal will be to instill in all members the true role of brotherhood.

This goal will take the maximum support from all members and with your prayers and encouragement our goal will be successful.

My Project is something that has been close to my heart for the 35+ years I was fortunate to work in the area of education, and that is the well being of children. All money I am fortunate to raise this year for the Grand Masters Project will be divided between the Children's National Medical Center of Washington, DC and St. Jude Children's Research Hospital in Memphis, TN.

I must sincerely thank you, I want the members of this Grand Encampment to know how very much I appreciate your confidence in my ability to fulfill the duties incumbent upon me as your Grand Patriarch.

I assure you that I will strive to perform my duties with the same dignity and devotion as my predecessors.

To the Installing Officers, thank you for an outstanding job. Your work was both impressive and beautiful. The events of this afternoon will ever be cherished in my memory.

To each Grand Encampment Officer, District Deputy Grand Patriarch and committee member who accepted an appointment my grateful thanks.

The elected Grand Encampment Officers and myself look forward to sharing a pleasant and satisfying association with you.

In Faith Hope & Charity,

E. Virginia Dietrich
Grand Patriarch
2011-2012

Rebekah Assembly Presidents' Message:

ACCEPTANCE SPEECH

This day I stand before you very humble, proud, privileged and honored as your President Of The Rebekah Assembly Of Maryland. I thank you for putting your trust in me by electing me to this high position.

I hope I can earn your Respect and lead this Assembly as you would like it to be. I cannot please everyone all the time but promise to do what is good for the assembly, just have patience with me.

I want to thank my family for their support and understanding. Thank you to my home lodge Samaritan No. 51, the Past Presidents and the officers of the assembly for their support and encouragement.

To those that have accepted my appointments as Officers, District Deputy Presidents and Committee members, I know you will do a great job for my year.

To the newly elected Noble Grands, I congratulate you on taking this important job. I will rely on you for the success of your lodge, may you all reach the goals you have set for your lodge. Myself and my officers are here to assist you in any way we can.

I want to congratulate Junior Past President Cathy Colbert on the completion of a hard but most successful year in office. To all of Sister Cathy's District Deputy Presidents, Committee Members and appointed Officers congratulations on the fine job you did.

Patience, Tolerance and Understanding are my watch words. Health, Prosperity, Long Life of our Order and Hope for continued growth of Rebekah Lodges is my motto. These are hard to do at times, I personally struggle with these. But we can all, with real effort, follow these and by doing that we will have very strong Rebekah Lodges and Rebekah Assembly of Maryland.

At the same time we will help all people and care for those in need. Young people, Widows, Widowers and the helpless are another one of our commitments.

My program is Spina Bifida and Birth Defects Association. There are many people affected with insurmountable problems and the money raised for my project will help in research to eventually eradicate Spina Bifida and all birth defects. Wouldn't it be wonderful to never see these children and adults confined to a wheel chair. Please give your support for my project, the best thing about giving of ourselves is that what we get back is always better than what we give. It is generous giving that produces the generous return.

Continued on Page 6

Continued from page 2

Both of the research centers have done exceptional work in the treatment and research of pediatric cancer and other childhood catastrophic diseases. This project is one way to protect and enrich the lives of our future citizens and possibly Odd Fellow members.

My Emblems are the Gray Wolf and the Tennessee Swamp Fox. The Gray Wolf’s characteristic is strength, courage, vigilance, and listening to his pack members. An Alpha leader depends on the pack for success, and there is no success without all members working together as a team. The Tennessee Swamp Fox uses stealth, is silent, shares with their family, and listens to others. By utilizing the skills of all members and listening to a multitude of ideas, our Order will be successful.

The scripture from **Luke 15: 11-32, The Parable of the Two Sons (Prodigal Son)** is one of my favorite scripture and is very germane for this year. I am seeking for the inclusion of all members into the daily activities of our Jurisdiction of Maryland. Another part of this year is the review of all Lodges former rosters and seeking to identify all absent and former/past members for inclusion back into the Order of Odd Fellowship.

For my year I have chosen as my hymn **“Over the Sunset Mountain”**. This song has a profound meaning for me as it tells of what is waiting for me when it comes time to go home over the sunset mountain. This is when all of God’s children will be free of disease, pain, and pettiness. It is also a time when all our work on this earth is completed as a good and faithful servant.

To my appointed Officers I wish to thank you for accepting these positions and I look forward to traveling with you this year. The success of my program is now in the hands of all Odd Fellows.

To President Pirrone, Grand Patriarch Dietrich, and Department Commander Tull, I wish you luck in your respective Divisions.

Dr. Thomas B. Dillingham
Grand Master

Becoming a Rebekah offers many opportunities to:

- further understand the principles of Friendship, Love, and Truth
- have a more purposeful life.
- develop enduring friendships far and wide.
- become an active participant in your community.
- help children, the elderly, and the less fortunate.
- have a warm friendly welcome in strange cities and distant lands.
- enlarge your circle of friends. - use your talents to help others, and,
- HAVE FUN

Become a Rebekah and share in these experiences!

In Maryland the Rebekahs work hard to raise funds for many charities through Bingo, Cookbook sales, raffles and social activities. We help each other to grow and extend our help to our local communities and families to help them back on the right path. We offer assistance to all the Lodges of our Order and contribute as needed to help the Lodges survive times of trouble.

The Sovereign Grand Lodge has opened our membership to allow any female or male who meets the requirements to join with us on the journey in Rebekah Odd Fellowship.

Letters from Scholarship Recipients

To: all members of the Odd Fellows, Grand Lodge, without you I wouldn't have received such an honor.

I have to first thank my grandfather Leo Rollins for nominating me and always believing in me. This scholarship has already gone a long way, paying for 5 classes so far. It's great to have people out there willing to help out the fellow students wherever they may be from Maryland to states all over the U.S. I know that we are all thankful for the contributions the Odd Fellows have given us. I wouldn't be taking classes right now if it wasn't for the scholarship. I am currently enrolled in 18 credits this summer hoping to soon apply for Physician's Assistant school. I am sorry to hear that Bobby Crowder is stepping down because he has done so much for the scholarship fund, but I'm sure his replacement will do just fine. I look forward to hearing more about the advancements with the Odd Fellows and again remember that you are forever in my heart and I wish I could thank every last member for this amazing program.

Sincerely,
Ashley Rollins

Dear Maryland Odd Fellow Lodges,

Firstly, I would like to thank the Scholarship Committee for awarding me the scholarship this year. This scholarship award will be instrumental in helping me continue my college education at the University of Maryland Baltimore County (UMBC). I have been honored to receive the scholarship in the past, and feel even more honored this year for having been a recipient among all the other great applicants. I cannot begin to thank the committee and the Odd Fellow lodges enough for the gratefulness in helping me to achieve my dreams and completing my college education. Thank you again for enabling me to pursue my goals and continue my studies into next semester.

Thank You,
Bradley Hauck
